To Daniel Blanchard

A true friend to the Class of 1969
because of his ability as a teacher,
his skill as a coach, his sense of
humor, and especially his dedication
to each student.

DEAN OF GIRLS

› the Class of 1969

As you read and re-read this yearbook in future years, you will be carried back to Wakefield High School. I hope that you have received more than memories from your four years of high school. Your faculty has done its best to equip you with the tools you will need to face the world. How you use them depends on you.

You have met for the last time as an entire class. But you will discover that you have a special bond with the other members of the Class of 1969 as the years roll on. The yearbook should be available in later years to refresh your memories and make discouraging comparisons with the pictures as we all grow older.

On behalf of the faculty may I wish all of you best wishes for future success and happiness.

The winter locks for longest season

in carved ice melting

into delay
and a longing
swelled with direction

And through
a thousand thoughts
the knowledge
aches

with the power to bear decision.

Products demand a force
relinquishing
all for an idea
or all for an impulse,
dependent upon the view
of existence.

Living,
by virtue of its obsession
with value,

has set a price
on every act,

some too great
to pay,

some too great to
ignore.

Precision of knowledge dictates restriction,

though night and day flow in continuous rhythm.

Beyond all things, life is within the self.

The process of understanding unites experience

with a searching,

and the person
is alone
struggling to feel

While pain is proportional to the place,
there is a freedom whose anguish is its beauty.

Accomplishment transcends
all memory

The 1968 football team came to life after the first two games. Led by co-captains Dick Canty and Gary Fitzpatrick, the Warriors beat Newton South 21-0. Then after a close defeat to Belmont, Wakefield really showed its powerful offense and defense. In the following three games, the offense scored 39 points and the defense limited their opponents to a mere 6 points. In the Winchester game, Wakefield lost the services of quarterback Turner and halfback Price. Both were unable to play on Thanksgiving against Melrose.

Overall the team looked better than its record. Through the first eight games of the season, Wakefield scored 91 points and limited the opposition to only 71 points.

Once again the Wakefield High School cross-country Team had an undefeated season. The Harriers won the Middlesex League Meet, placed third in the State Divisional Meet and fifth in the State Meet.

Mr. DiComandria's Harriers have dominated the Middlesex League for the past five years, accumulating thirty-seven consecutive dual meet victories.

The runners that made this year's championship possible were co-captains Joe Hegarty and Larry Roberts, both seniors. Along with outstanding seniors Paul Egan and Clyde Tyler, there was strong support from underclassmen Mark Hamer, Brian Beasley, Kevin Beasley, Donald Day, and Alan Davis.

SOCCER

Although this year's team had its difficulties, there cannot be enough said about the drive and ambition displayed by every member on the team. It was a year of building, and through the efforts of Coach Dick Kelly, initative and determination were instilled in each player.

In eight of its games, the WHS varsity soccer team did not lose by more than one goal. The '68 team's highest scoring game was against Essex Aggie, 4-3.

Senior rookies Brydon Dow and Don Valentine in fullback positions kept the opposition's scoring to a minimum. Playing in the season's opener against Lexington, goalie Mark Hagen held the score to a 1-1 tie for the Warrior booters. Ed Saletnik finished out the season for Mark who suffered an injury in that game. Phil Siciliano and Ed Russo co-captained this year's team.

In the last league game of the season, the Junior Varsity team won by a 2-1 score. Coach Kelly looks forward to working with an experienced squad next year.

FIELD HOCKEY

The girls' field hockey team had a very successful season with seven wins, three losses, and one tie, beating both Melrose and Stoneham. The captain was Sue Colucci and co-captain was Shirley Baccardax, who was also the team's high scorer. Debbie Meekan, Barb Chesley, Louis Seebert, and Buffy Roberson all did a very good job at playing defense. During their first three games, they allowed only two goals, while the offense scored 20 goals. Shirley Baccardax, Sue Colucci, and Joan Winterbottom will be the only three seniors leaving; there will be eight varsity players returning next year. The junior varsity team earned a record of three wins, five losses, and two ties.

The indoor track team compiled an impressive 7-2 record this season. Lacking the depth of past years, the team was unable to regain possession of the Middlesex League Title.

The Warriors were thwarted in their bid for the Championship in close contests against Lexington and Melrose. Coach Jim Duff had to fill many varsity positions with underclassmen. Among those harriers were J. Mark Hamer, Brian Beasley, Kevin Beasley, Donald Day, and Al Davis. Senior standouts included Co-captains Paul Egan and Bruce Lapham, Ray Eldridge, Peter Gannon, Jim Queeney, Clyde Leroy Tyler, Dean Valenti, and Jim Bolton.

This year, Wakefield welcomed a new basketball coach to its squad. Kevin Thomas, formerly of Catholic Memorial High School, had praise and great respect for his players, who, despite a limited number of wins, displayed unparalleled drive and poise. Thomas is optimistically eyeing the future and an improved squad.

Pitted against Stoneham, in one of the closest games of the season, Wakefield High played brilliantly in overtime, but the hoopsters were edged 59-57 with just seconds left to play. In a similar effort against Concord, the team won by one basket, resulting in a renewed life to the squad.

Underclassmen played an important role in the latter part of the season. These standouts included Dave Lapham, John Moses, Bob Raffael, Chuck Doherty, Joe Reagan, and Bob Dawson. Outstanding seniors who contributed greatly to the team were Fred Marshall, Jim Angelo, Jim Manning, Barney Sexton, Peter Dignan, Fred Marshall, Jim Mercer, Dick Canty, Buddy Siciliano, Dick Price, and Larry Roberts.

The girls' basketball team, under the coaching of Miss Patricia Deal, exhibited fine team spirit and a willingness to work. The girls competed against such formidable squads as North Andover, Malden, Marblehead, and Beverly.

A young and aggressive group, the Warriorettes were made up of such outstanding seniors as Captain Sonia Skoglund, Co-captain Carol Feudo, Janet Mullen, Virginia Hogdon, Pat Dawson, Sue Collucci, Joan Winterbottom, and Shirley Baccardax. Credit is also due to such underclass standouts as Janice Lazzaro, Maureen Butler, and Jean Mulherne.

The Varsity hockey team had a successful season, with the help of coach Charlie Kirk's encouragement and skills. The team's 5-9-1 record does not tell the whole story, as the Warriors were on the brink of victory during every game. The game that highlighted this season was an electrifying 3-2 comeback win against a powerful Stoneham team. The Warriors, with this victory over Stoneham, knocked the Spartans from first place. Among the seniors who contributed greatly to the team were: Jake Hubbard, Larry Green, Captain Bob Anderson, Gary Fitzpatrick, Al Dingle, and Paul Zanotti. The outstanding play these seniors exhibited should inspire underclass players to greater heights next year.

GYMNASTICS

The WHS Gymnastics team made a strong showing this year, compiling a 7-3 record, for a third place standing in the Middlesex League. Several exciting meets highlighted this season; the most exciting being a 88.05—87.20 victory over a strong Winchester squad. The 1969 team was characterized by underclassmen, the bulk of the scoring achieved by sophomores and juniors.

Ron McCauley led the scoring with over two hundred points. Ron usually averaged over twenty-five points per meet. Cliff Chapman performed admirably, scoring over one hundred points in the side horse, high bar, and long horse competition. Support also came from Mike Murphy and Co-captain Joe Hubbard. Mike Smith and Co-captain Chris O'Keefe were also tremendous assets to the team. Coach Bob Bisacre is confident of an equally successful season next year.

The wrestling team experienced a disappointing season this year. However, many of the matches were close and could have gone either way. There were only four seniors and five returning lettermen on the squad; consequently, the team was limited in experience. The team was captained by senior Gary Moore, who won all but two close matches, and finished fifth in State competition.

The future looks bright for the matmen as several underclassmen have matured into fine wrestlers. Coach Bill Corcoran expects underclassmen George Snow, Ken Queeney, Ray Boghos, Pat Turner, Jeff Johnson, Jim Cass, and Pete Gargano to achieve great heights in wrestling next year.

GIRLS' TENNIS

The girls' tennis team started its second season with seven players returning. The six seniors-Ginny Hogdon, Joan Winterbottom, Wendy Marshall, Shirley Baccardax, Sonia Skoglund, and Sue Collucci—formed the nucleus of an inexperienced, but large squad. Despite the domination of this year's varsity by seniors, many underclassmen contributed to the team's success in both J.V. and varsity matches. Led by Nancy MacKenna, the only returning underclassmen, these girls' progress promises equal success for future teams.

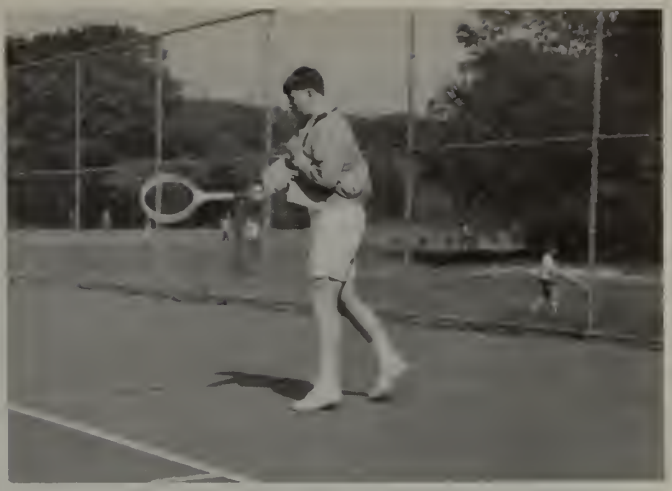

BOYS' TENNIS

The boys' tennis team had one of its best seasons to date. With the return of seniors Bob McGrath, Steve Donahue, and Jim Coughlin, the team won convincing victories. Under the expert coaching of Ed Walsh, the boys displayed spirit and enthusiasm. Outstanding players Bob McGrath and Steve Donahue were credited with doing a fine job, posting numerous victories throughout the season. Support also came from underclassmen Richard McGrath and Jon Landers.

OUTDOOR TRACK

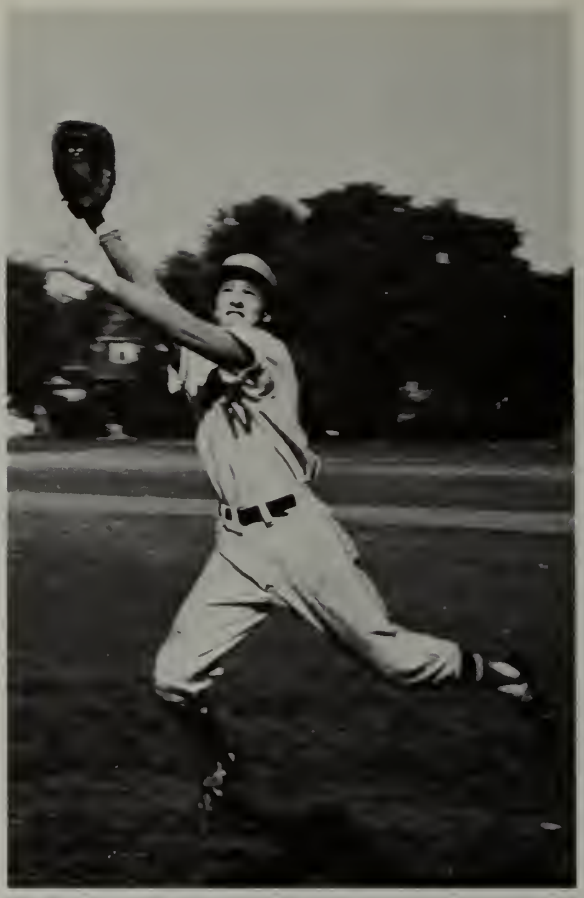

Wakefield High drew support from underclassmen this year in its quest for the Middlesex League Championship. As the defending champs in the Belmont Relays, the Middlesex League Meet, and the Class B Championship, the team remains one of the strongest teams in the state. Lacking the depth of past years, the '69 team proved to be one of quality and not of quantity. Among the outstanding seniors in the field events were Don Valentine, Jim Queeney, Ray Eldridge, Bruce Lapham, and Mark Hagen. On the track, Wakefield entered Larry Roberts, Dick Price, Dave Jones, Clyde Tyler, Paul Egan, and Steve Garnett. Underclassmen support came from Dave Lapham in the shot put and from harriers Brian and Kevin Beasley, Steve Bugli, J. Mark Hamer, and Don Day.

BASEBALL

Coach Bob Miksen started his first year as head baseball coach at Wakefield High with a team of experienced players. Defensively, the success of the squad rested squarely upon the shoulders of pitchers Buddy Siciliano and Rich Rivers. Returning lettermen Bob Anderson, John Sullo, and Dick Canty proved to be an asset to the team. Anderson, a solid defense man, swung a mighty bat along with Sullo, who played catcher. Canty turned in a standout performance as an outfielder and as a batter. Other standouts included underclassmen Bob Raffael and David Keough.

CLASS HISTORY

Freshman Year

Awed by the size of the buildings, we nervously entered the halls of Wakefield High School in September of 1965, not knowing what to expect. When we finally found our lockers and rooms and deciphered the confusing block system, we overcame some of our fears and settled down for a year of hard work.

It was not long, though, before sports started receiving as much time as studying. The freshman football team, co-captained by Bruce Lapham, Dave Banks, and Paul Egan, had an excellent season finishing with a 4-1-1 record. The varsity squad also had a very good season ending with a 7-2 record, fifth in the class B ratings.

The cross-country team, coached by Mr. DiComandrea, had an undefeated season. Freshman Larry Roberts was an important member of the varsity team, as well as of the freshman team. The freshman team won the frosh title in the Catholic Memorial Invitational Meet, promising great cross-country teams in the years ahead.

With the advent of cold weather, the varsity basketball team had an excellent season, finishing second in the league and qualifying for the Tech Tourney. Hockey showed great promise. The freshman hockey team, captained by Bob Anderson, finished second in the league with a 5-2 record and entered the play-offs.

When not at athletic events, we were busy welcoming Agé Dragstead, our AFS exchange student from Denmark, and five Chilean students in the American Youth Exchange Program who stayed at Wakefield High for eight weeks.

In science classes we were using for the first time a general science textbook written by four members of the faculty: Mr. Ceddia, Mr. Feudo, Mr. Woodman, and Mr. Sheehan.

Music reached a new high at the Winter Concert as the choruses performed excellently under the direction of Miss Nadon, our new choral director; and the band and the orchestra were better than ever. Many students were selected to participate in the District Chorus and the District Orchestra, and twelve students had the honor of being chosen for All State.

In the field of drama, the Thespians showed great talent as they performed "The Miracle Worker" by William Gibson. One of our classmates, Kitty Ahearn, took the lead role as Helen Keller.

At the end of May we took the opportunity to relax on the Student Council's first Bermuda Day, which proved to be a big success.

Soon the walls and bulletin boards were covered with campaign posters. After witnessing wild demonstrations and listening to doubtful speeches, we voted in the class elections. Tommy Carroll was elected President; Nancy Gould, Vice-President; Margaret Myers, Secretary; and Kathy Spencer, Treasurer.

Finally, feeling less like an outgrowth but more like an integral part of the school, we looked forward to the work and the fun of the years ahead.

Sophomore Year

In September, 1966, we confidently entered the halls of W.H.S. to begin our sophomore year. Although we were still underclassmen, we were no longer naive freshmen; and with our class officers to lead us, we began to take an active part in school activities.

The football team, aided by many sophomore standouts, had a tremendous season. Who can forget the Malden Catholic game in which we came from behind to win? Games like this made our loss to Melrose on Thanksgiving Day more bearable.

Undefeated seasons in track continued our reputation as the number one team. Under the skillful direction of Coach DiComandrea, the junior varsity teams also did well.

Although the basketball team had a disappointing season, our team spirit was high. Certainly the best-remembered game was against Concord. The effort of the team and our continued spirit helped us to win in double overtime. The enthusiasm and the drive of the junior varsity team under Mr. Blanchard was also great. Winning over half their games, the team had a highly successful season.

The 65-66 hockey team became the only team in the league to defeat Melrose. Consistent fine playing gave the team the number two spot and the chance to play in the State Hockey Tournament.

The social highlights of our sophomore year included the Cheerleaders' Dance, the "Saddleshoe Shuffle"; the Majorettes' Dance, "Two in a Tepee"; the Student Council's Winter Carnival, "Frosty Frolic"; and the Computer Dance. On April 1, 1966, the class of 1969 presented our sophomore hop, "Midnight Hour." Weeks of feverish preparation and anticipation were rewarded by a successful hop. Buddy Siciliano and Cindy Lafond reigned as king and queen.

The sophomore class joined the school and the community in welcoming Brenda Payne, the Foreign Exchange Student from Rhodesia. Brenda, who lived with the Ramsays, took an active part in life at W.H.S. We shall always remember her friendship and warm personality.

The sophomore class was also an asset to the Music

Department. Members of the Chorale and the Madrigal Singers performed at school and community functions. Thomas Seavey displayed his fine voice in his solo, "Deus Meus," from "The Seven Last Words of Christ." The Marching Band supported the football team throughout the football season, and the Concert Band and the Orchestra gave two performances which demonstrated their musical ability.

Gayle Sawtelle, Elaine Cicciarella, and Douglas Welch represented the class of 1969 in the Thespian production of "The Crucible" on April 7 and 8.

In the annual Science Fair on March 21 and 22, Virginia Hodgdon won first prize in biology.

After a year of lessons, tryouts were held for the majorettes. The junior twirlers chosen were Nancy O'Brien, Lani Campbell, Jeanne Munroe, Lorraine Burke, and Mary Lee Comeau.

After two weeks of frenzied practices and two longer weeks of waiting, Judy Martino, Janet Stoney, Marg Myers, Mary Ann Dulong, and Carolyn Buckless became the cheerleaders from the class of 1969.

June finally arrived and with it the wild excitement of class elections. Colorful posters lined the walls and ceilings of W.H.S. The serious business of voting followed tumultuous rallies. When the results were posted, we learned that Larry Roberts was to lead the class as President, aided by Nancy Gould as Vice-President, Kathy Spencer as Treasurer, and Marg Myers as Secretary.

Our underclassmen years were over, and we looked forward to our new position of leadership with anticipation and the realization of our growing responsibility.

Junior Year

In September, 1967, we entered Wakefield High School for the first time as upperclassmen. The junior year brought to the members of our class increased participation in school activities and the realization that the time to make plans for the future was drawing near.

Athletics was an important part of the junior year of the class of 1969. In the fall we crowded the football stands to watch our team under the direction of Coach "Whip" Halliday. Fullback Gary Fitzpatrick and quarterback Rich Price contributed much to the team, which finished seventh in the Middlesex League. Our tremendous cross-country team, coached by Mr. DiComandrea, finished fourth in the state competition. Paul Egan and Larry Roberts helped the team carry off the Middlesex League Championship with an undefeated record. Under Coach Richard Kelley, our newly formed soccer team also finished with a winning record in the league. The efforts of Buddy Siciliano, Ed Russo, and Pete Gannon contributed greatly to the team's successful season.

During the winter season, the W.H.S. hockey team, coached by Mr. Kirk, beat many of the best teams in the state. Bob Anderson, Gary Fitzpatrick, and Billy LeFave helped the team finish the season with a winning record. The scoring of Larry Roberts, Fred Marshall, and Dick Canty helped the basketball team enjoy a winning season. Finishing the season with a nine and eight record, the team placed third in the Middlesex League. Shot-putters Ray Eldridge and Bruce Lapham led the indoor track team to another league championship climaxed by an exciting win over Melrose.

With the arrival of the spring season, the W.H.S. baseball team, under Coach William Callagy, took to the field. John Sullo and Buddy Siciliano contributed much to the team's successful season. Jim Queeny, Larry Roberts, Rich Price, and Paul Egan spurred the outdoor track team to capture another league championship under Coach Duff. Don Valentine was first in the league for the javelin throw.

The gymnastics, golf, tennis, and wrestling teams were also busy during our junior year. Many of our classmates participated and helped to make their seasons successful.

Music was an important part of our junior year. Band Director Richard Laman introduced marching drills for the first time at W.H.S. Many juniors were selected from our various musical groups for the Northeastern District Chorus and the Northeastern District Band. Several of our classmates performed on television with the Greater Bostonians.

A very important aspect of our junior year was our scholastic achievement. Many juniors were inducted into the National Honor Society. The Math Team, which was comprised of several juniors, had a successful year. In May prizes were received by William Cornell, Diane Doria, Margaret Evangelista, and Mark Falabella in the annual Science Fair. At the Awards Assembly Larry Roberts received the Harvard Book for being the "Best All Around Member of the Junior Class."

The American Field Service Program was in full swing at W.H.S. We were fortunate enough to have with us Rafael Urquieta Mangiola from Chile and Zerrin Maner from Turkey. Ann Campbell from Australia, who was sponsored by the Rotary Club, also spent the year with us.

Our junior year was filled with other events. Many of us received our first taste of the college boards when we took the PSAT and the SAT. There were occupational conferences, college conferences, assemblies, and pep rallies to attend. The Lookout staff, Rocket Club, Inter Nos Club, and intramural sports kept many of us busy.

Class elections were a very important event of our junior year. After weeks of campaigning, we elected Larry Roberts, President; Nancy Gould, Vice-Presi-

dent; Kathy Spencer, Treasurer; and Betty Spencer, Secretary.

In June we received the report cards that told us we were officially seniors at Wakefield High. Our junior year had been exciting and rewarding in all areas, and we looked forward to an even more successful year as seniors.

Senior Year

In the fall of 1968, we returned to Wakefield High as seniors and leaders of our school. We looked forward to a memorable and fun-filled year. With such class officers as Lawrence Roberts, President; Nancy Gould, Vice-President; Betty Spencer, Secretary; and Kathy Spencer, Treasurer, we were assured of the capable leadership necessary for the busy year ahead.

Our Foreign Exchange Student from Argentina, Marta Carot, was a model of politeness and friendliness. A popular member of the class, Marta participated in many school activities.

Led by co-captains Gary Fitzpatrick and Dick Canty, the Warrior football team battled many a tough opponent. Against insurmountable odds, the gridders displayed unparalleled spirit and poise. Victories included Watertown, 26-0, and Lexington, 13-0. Our vivacious cheerleaders, captained by petite Judy Martino, were a constant source of spirit on the field. Judi and her crew, which included Seniors Paula Lenners, Marlene Clough, Mary Ann Dulong, Diane Prousalis, Steph Fregosi, Margaret Myers, Janet Stoney, and Carolyn Buckless, led the victory cheers and became hoarse in the process. Our attractive head majorette, Nancy O'Brien, and her vigorous squad, which included Seniors Lani Campbell, Judi Seabury, Judy Comeford, Lani Hupprich, Joanne Munroe, Paula Todd, Lorraine Burke, Mary Lee Comeau, and Carol Robertson, thrilled the crowds with exciting marching maneuvers.

The cross-country team, led by co-captains Larry Roberts and Joe Hegarty and coached by Mr. DiComandrea, proved that they were the best by defeating all their opponents and continuing their domination over the Middlesex League.

Coach Dick Kelley steered the soccer team through a difficult season. The boys, led by Ed Russo and Buddy Siciliano, battled seasoned teams; however, the team held its own—to the delight of the frequent capacity crowd.

The spirited girls' field hockey team enjoyed one of its most successful seasons to date. Led by captain Sue Colucci, the inspired team salvaged a thrilling victory over Melrose by a score of 1-0.

In October the National Honor Society inducted twenty new members from the senior class. Lawrence Roberts earned the distinction of representing Wakefield High School at the Student Government Day in Boston.

In December, under the direction of Mrs. Valentine, the class of 1969 proudly presented "Something's Gotta Go." The comedy, starring Tom Bartlett and Michelle Gatta, was one of the best class plays in recent years.

The musical prowess of Wakefield was displayed in a brilliant concert in mid-January. The various choral groups and the orchestra presented enjoyable renditions of both classical and modern selections. Wakefield High was extremely proud of the ten seniors who represented it in the Northeastern Massachusetts District Musical Program. Among those chosen for the District Chorus were Kitty Ahearn, Stephen Donahue, Tom Seavey, Donna Curry, Debby Doten, and Cathy Ramsdell. Robert Goddard was Wakefield High's representative in the District Band; and Carol Diehl, Judy White, and Eileen Worthley participated in the District Orchestra.

Co-captains Dick Canty and Buddy Siciliano paced the basketball team through an enjoyable season. Under first-year coach, Mr. Thomas, the team displayed unusual skill and stamina. One of the most thrilling wins of the season was over Belmont by a score of 51-48.

The hockey team faced a rugged schedule; however, through sheer effort, and leadership by co-captain Bob Anderson, the boys were able to pull a few surprises on overconfident foes.

Mr. Duff's indoor track team had its ups and downs during the season. Dogged leadership provided by Bruce Lapham and Paul Egan inspired fellow teammates to give the extra effort that spelled victory.

On March 14, 1969, science enthusiasts of Wakefield High presented the annual Science Fair. Many interested seniors displayed their scientific ability and knowledge in their projects and expositions.

With the melting of the snow came spring sports. Baseball, track, tennis, and golf enjoyed victory after victory.

With spring also came the excitement of the various graduation events. The Senior Breakfast and Class Day will always have a special place reserved in our memories. The Senior Prom, held at Montvale Plaza in Stoneham, was the social event of the year and the most memorable event in our high school career.

June arrived with graduation and anticipated college plans. Emotion turned into nostalgia as we realized that we would never return to "Dear Old Wakefield High." We shall always hold in our hearts the true meaning of these four prosperous years at Wakefield High, and we shall be forever grateful to the innumerable teachers and advisors who guided us through our high school career.
